## CARAVAGGIO WALL LIGHT

**Cast bronze wall light. Inspired by Caravaggio's 'Supper at Emmaus', the gestural hand is a homage to the painter's powerful compositions. The suspended carbon filament bulb is a playful reference to his masterful use of Chiaroscuro which literally translates from the Italian as "Light-Dark"**

W 160mm (6.25") x H (including visible flex) 900mm (35.43") x Depth 200mm (7.87")

We recommend that this light be used in conjunction with a dimmer system and low wattage bulbs (25 watt) for best atmospheric lighting range.
