SUSPENSION GLOBE

Brass and glass lantern. The spherical glass lantern drew inspiration from period 19th and 20th century lighting. It is designed as a portico or hall way lantern and the brass suspension rods offer an interesting alternative hanging solution to a single chain.

Diameter of globe 425 mm (16.75") over all width 500 mm including finials (19.75") x H 1165mm (45.87")
