

STAG WALL LIGHT

STAG WALL LIGHT

Bronze wall light. Reminiscent of Thomas Hope's 18th century classical style (1769-1831), the coffin backed wall light has been composed with a cast bronze stags head.

It would suit either a period town house or country house alike. Shown here in distressed silver plate it can be wired for two elegant French candles or used for wax candles.

H 360mm (14.17") x W 220mm (8.66") x D 150mm (5.9")
