DUOMO LANTERN

An architecturally inspired hexagonal lantern available with a three way centre or 4 way on request. The glass can be clear or frosted if you prefer not to see the bulbs. Patination would be chosen to suit the final position of the lantern. We can design and make the Duomo to any proportion.

W 450mm (17.72") x H 750mm (29.53") Height including ring 793mm (31.22")
