SMALL BIBLIOTHÈQUE

The Bibliothèque wall unit was inspired by a visit to La Maison de Verre in Paris. The house is both inspiring and unsettling as the psychology of the architecture reveals an unusual configuration of a domestic and professional interior. The materials used by the architect, Pierre Chareau, were fashioned in an inspiring and avant garde industrial manor for the time.

W 1440mm (57") x H 2400mm (94.5") x D 360mm (14").

This is a bespoke item and can be made to any size or configuration. Please discuss your requirements with us and we will be happy to design a unique piece for you.
