ROSSO WASHSTAND

A unique sculptural washstand. The weathered stone top and ceramic basin are supported on an impressive planished iron apron and eight heavily forged and characterful legs. The base stretcher accommodates a clear glass towel shelf and the higher stretcher serves as a towel rail.

The same and similar examples can be tailor made upon request for your project.

Dimensions: Height 50mm x Length 1650mm x Depth 500mm (H 33.5" x L 65" x D 19.7")
